ART ANGELS GIFT NEW ROOF *Six-Month Repair Recently Completed at Studios on the Park*

Paso Robles, California — Nonprofit open studios art center STUDIOS ON THE PARK in Paso Robles recently celebrated the completion of a six month, full roof repair by Page Roofing. Sponsored by Thom Schulz in honor of his beloved wife Laura Coats, the new roof ensures that STUDIOS essential arts services, educational programs, fine artworks and thousands of art loving students and visitors are safe and dry for years to come.

STUDIOS ON THE PARK is like no other nonprofit organization in the region. With a mission to provide a creative, educational and transformational experience to enhance understanding and appreciation of visual arts, STUDIOS' highly curated shows and schedule of activities make the Central Coast a leader in artistic culture, instruction and innovation. The open studios art center in downtown Paso Robles is the creative center point for the community, gathering together artists of all mediums and passions, and those that they inspire. Most notably, STUDIOS offers arts access and educational programs that serve more than 100,000 students, families and visitors every year, including social and community impact initiatives that provide no-cost visual arts experiences for thousands of K-12 grade children and teens.
